

Technology Policy Negotiations and Dispute Resolution

ESD.933 – Session 10

Employment Negotiations

Joel Cutcher-Gershenfeld

Simulation Debrief

- Negotiations over pay
 - Anchors in negotiation over pay
 - Starting pay versus career potential
 - Employer's BATNA
- Easy “yes” items
 - Signing bonus
 - Moving expenses
- Negotiation over non-economics:
 - Starting assignments
 - Support staff
- Expanded considerations
 - Accelerated review
 - IP agreements
 - Stock options

Additional Considerations in Job Search

- Targeted letter campaigns and expanding network strategy
- Know salary range in advance
- Salary discussions only after match is clear
- Probe on additional considerations and options
- Wait a day before getting back to the employer
- Get specifics of package in writing
